ANDORRA exclusive

Andorra Exclusive provides ultra-low wood consumption yet efficient clean burning, raised 50 cm above the floor on an elegant pedestal base. It is Euro Fireplaces most popular model. Easy to operate, the heater produces instant warmth just minutes after lighting. Powerful natural convection will begin to distribute warm air throughout your house within 20 minutes. An optional soapstone top will provide a modern finish and additional heatbank to this stylish model.

Heating capacity	240sqm
Efficiency	Aus 67% / Eu 82%
