MILANO

Milano is Europe's most popular single sold heater. Milano will produce instant heat after lighting and will convect warm air throughout smaller 2 or 3 bedroom homes. Simple air controls make operation very straight forward and the unit comes fitted with a cooktop and splash back lid that can be closed to retain embers when the heater is shut down.

Heating capacity	120sqm
Efficiency	Aus 64% / Eu 79%
Emissions	1.4g
Wood usage	1.3kg/hr
Weight	70 kg
Ember retention	6 hr
Wood consumption rating	8/10
